

Tune - Addams Family

Family rhyme, family rhyme  
Family rhyme, family rhyme, family rhyme!

There's bat and there's cat  
There's fat and there's hat  
There's mat and there's pat  
The AT family

There's bar and there's car  
There's far and there's jar  
There's star and there's tar  
The AR family.

There's dog and there's fog  
There's hog and there's jog  
There's log and there's frog  
The OG family

There's can and there's fan  
There's pan and there's man  
There's ran and there's tan  
The AN family.
