Tune - Oh When the Saints

Oh when the birds all build their nests
When the birds all build their nests,
Then you'll know it must be springtime,
When the birds all build their nests.

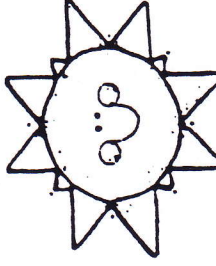

Oh when the birds all build their nests
When the birds all build their nests,
Then you'll know it must be springtime,
When the birds all build their nests.

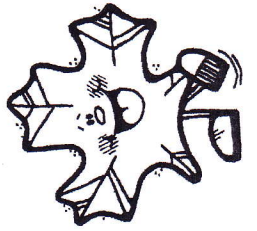

Oh when the sun gets oh, so hot,
When the sun gets oh, so hot,
Then you'll know it must be summer,
When the sun gets oh, so hot.

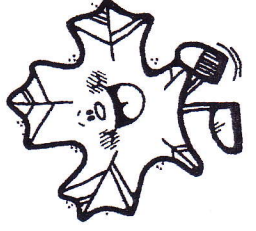

Oh when the sun gets oh, so hot,
When the sun gets oh, so hot,
Then you'll know it must be summer,
When the sun gets oh, so hot.

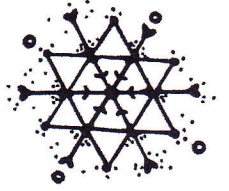

Oh when the leaves fall off the trees,
When the leaves fall off the trees,
Then you'll know it must be autumn,
When the leaves fall off the trees.

Oh when the leaves fall off the trees,
When the leaves fall off the trees,
Then you'll know it must be autumn,
When the leaves fall off the trees.

Oh when the snow begins to fall
When the snow begins to fall,
Then you'll know it must be winter,
When the snow begins to fall.

Oh when the snow begins to fall
When the snow begins to fall,
Then you'll know it must be winter,
When the snow begins to fall.
