How to use this book...

I'd like to begin by stating that this is not my original idea. The contents of this unit are simply an electronic update of Diane Senk's "I'm Special" book from her blog: <http://dbsenk.wordpress.com/category/themes/me-book/> Please take the time to visit her blog for ideas to complement this activity and other great kindergarten resources.

Because pictures are worth a hundred words, I will use Diane's pictures so you can see how the book comes together!

I've included a few different front cover templates for you to use!
